The Goldstein Law Group (GLG), located in downtown Fort Lauderdale, is a premier, AV-rated civil litigation law firm concentrated on the investigation, detection and litigation of fraudulent insurance claims.

GLG use a traditional point of view to scrutinize legal matters and then use a Obsessive Compulsive Preparation method to produce results. Thinking "outside of the box", GLG uses creative strategies to both discover and act against fraud.

GLG embraces diversity in both their hiring practices and selection of philanthropic endeavors—from sponsoring the T.J. Reddick Bar Association's annual event, to actively supporting the Hispanic Unity Fund. GLG also provides generous support for local athletic teams.

GLG prides itself on serving some of the biggest names in the insurance industry. They also investigate and litigate auto insurance fraud including personal injury and bodily injury and uninsured motorist claims; property fraud, including windstorm and fire damage claims; and healthcare fraud.
